

BARIALINK EXPERT MEETING

TUNIS 2026

ENDORSED BY IFSO

BARIALink - created in 2016 by Dr. Bruno Dillemans - is a web-based knowledge base and participation network of bariatric and metabolic surgery specialists from all over the globe...

The primary aim of BARIALink is to share and discuss at a highly professional level the challenges faced by surgeons in complex cases, innovative surgical procedures and new approaches to bariatric surgery, in order to raise the level of surgical excellence in this field.
